

#529 XL Convalescent Recliner

ISO 9001-2000 CERTIFIED

Superior Comfort and Support in an Extra-Large Recliner

Doctor's offices and medical facilities get new patients every day, and the client's physical proportions are usually unknown until he or she enters the waiting room. Winco's XL Convalescent Recliner offers the extra room and support that larger users need, with all the features found on our regular convalescent recliner. Webbed elastic suspension seating is durable and comfortable, and the total-lock steel casters prevent shifting and sliding.
