

03 Chair Installing

Step 1:

Ensure sufficient space around chair, please leave 60cm of space behind the backrest and 60cm of space at the front of the massage chair when reclining backrest and elevating leg rest.

Step 2:

Unfold the Backrest

Remark: If you want to fold the Backrest, lift the stopper as shown in picture. Then fold the Backrest onto the seat.

Step 3:

Installing the Remote Control Holder

Please tighten the screws of the Remote Control Holder in the order of the picture shown.

Step 4:

Back Massage Strength-Control Pad

Back Massage Strength-Control Pad has been into the Backrest Cover.

If a stronger massage is desired, remove the Back Massage Strength-Control Pad from the back by zipping the cover off the back pad (as shown in picture). If a milder massage is desired, return the Back Massage Strength-Control Pad to the cover.

04 Moving the chair

1. Elevate the Calves Rest.
2. Then recline the chair to approx. 45° to move the chair around the house with a slight pull or push.

Note:

- Always return the leg rest to its original length before moving the chair. Otherwise, it may result in injury during movement.
- Do not move the unit while a person is seated on it.
- Place a mat on the floor and gently roll the unit over it to void damaging the floor.
