AmeriGlide is pleased to offer consumers two new choices in lift chairs!

PL-810
PL-812

AmeriGlide's PL810 features a luxurious, three-pillow waterfall backrest. Each pillow has a convenient zipper underneath so that you can adjust the amount of Dacron fi in each pillow to customize your comfort. Its full chaise pad comes standard with a set of 49 pocketed coil springs for soft yet supportive seat comfort. The PL810 has a three-position recline mechanism.

AmeriGlide's PL812 has all of the same great features as the PL810, with a patented zero-gravity positioning mechanism. The positioning system is operated with an innovative hand control that features pre-programmed buttons for the zero-gravity position and TV Watching positions. The PL812 can also fully recline into the physician-recommended Trendelenburg position.
